

AN EVENING FOR JAPAN

日本の夕べ

Mr & Mrs William Day invite you to
a drinks reception with traditional Japanese sushi and Lincolnshire canapés
followed by a piano recital by

Motoki Hirai

in the Chapter House, Lincoln Cathedral
6.30pm on Saturday 7th May 2011

Praised by *The Sunday Times* for his "consistent musicality" and described by *The Guardian* as "a most brilliant and sensitive musical talent", **Motoki Hirai** is widely acclaimed as one of the most imaginative pianists of his generation. Since his first professional performance at the age of 13, Motoki has appeared in the music capitals of Europe, the Far East and America over two decades, performing in some of the world's most prestigious venues including Carnegie Hall, New York, the Wigmore Hall, London, and Smetana Hall, Prague.

Motoki is to perform in Lincoln as a result of his personal friendship with Mr & Mrs Day and their shared desire to help victims endure the unendurable in the aftermath of the **Tohoku Earthquake**, already estimated to be the world's costliest disaster. All proceeds from the event will go to The Japan Society Tohoku Earthquake Relief Fund.
